The Waldport Chamber of Commerce announces it will be closing The Welcome Center & Gift Shop and returning to its original home, The Alsea Bay Bridge Interpretive Center & Waldport Museum.

City Manager Dann Cutter states: "The city is enthusiastic that the Chamber is committing to the Interpretive Center full time and welcomes the continued successful partnership which has brought record attendance to the museum, vibrant usage of the Interpretive Center, and the robust interest in Waldport. The City appreciates the Chamber making the very desirable corner location available for the next user!"

The Welcome Center location on the corner of Hwy. 101 & Hwy. 34 (next to Eager Beaver Furniture) will be Itinerant Artists Co-op.
